

THE INDIAN SOCIETY OF NEURO-ONCOLOGY

ISNO Annual Award for ‘Outstanding Work’ in Neuro-Oncology

This award will be given to any person with a post-graduate qualification (medical degree or doctorate or masters degree) who has done outstanding work in any field related to neuro-oncology pertaining to either service, education, or research with potentially significant impact

Eligibility criteria

The applicant

- (i) should have either *post-graduate medical degree (MCh/DM/MD)* or *doctorate in life sciences/health sciences (PhD)*, or *masters degree (MS/MSc)*.
- (ii) should be a person of *Indian origin*.
- (iii) should be less than **45 years** of age as on *January 1st, 2022*.
- (iv) should have done the majority (if not entirely) of the *submitted work pertaining to the field of neuro-oncology* in an *Institute/Medical College/University within India*.
- (v) should be lead researcher or played significant role in the collaborative group for submitted work.
- (vi) should be an ISNO member at the time of submitting the work for the award.

Other conditions

- Application *should highlight the details of the work done* and its relevance at national and international level. Any pertinent abstracts presented in a major national/international conference and/or full-length papers (published or accepted) within the *last 2 years (calendar year 2020-2021)* may be attached with the application.
- Applicant can *submit application himself* without the need for nomination by an ISNO member.
- Applicant should provide *contact details (name, institution, affiliation, phone number and e-mail address) of three referees (national and/or international)* with their application, without which the application will be considered as incomplete.
- Applicants with published *full-length papers in high-impact journals* will be preferred.
- The award carries a *cash prize* and a *citation*.
- The awardee will be given an opportunity to make a brief *oral presentation* describing his/her work in the *Awards Session* during the *Annual Meeting (ISNOCON 2022)* at *Gurugram, Delhi-NCR*.

Submission procedure: Please send the application in paper format detailing the scientific contributions including the reprint of any relevant abstracts/papers (if any) to be considered for the award. A curriculum-vitae (CV) of the applicant and contact details of three referees must accompany the submission. A soft copy (scanned PDF version as e-mail attachments) of the submission also needs to be included along with application. Incomplete submissions will be liable to be not considered for the award.

Last date for submission: 10th July 2022

The application should be addressed to

Dr Tejpal Gupta/Dr Sridhar Epari
General Secretary/Joint Secretary, ISNO
Room No. 1129, Homi Bhabha Block
